RE: Briefing for Attorney General Smith on

25X1

John -

Following the Travis Trophy ceremonies we re-briefed Judge Webster and Ed O'Malley on . It was clear from the ensuing discussions that the FBI is not sufficiently knowledgeable of the specific content of to permit their identification of information requirements which might require a change in Attorney General guidelines before we can disseminate the data to the Bureau. It would be premature to schedule the briefing for the Attorney General until we can identify these changes (if any) as part of the briefing.

25X1

We are working with the Bureau to insure they understand exactly what might be acquired via which is of potential use to counterintelligence. When we mutually understand the problem better and have identified what Attorney General actions (if any) are required, we will schedule the briefing for Mr. Smith.

25X1

We will let you know when we are ready to schedule that session.
